OCTOBER 2008

### CLEAN LABEL BUN GLAZE

**CLEAN LABEL BUN GLAZE** is a ready to use glaze for glazing all sweet fermented goods, hot cross buns and fruit loaves etc, providing an excellent sheen, which is non-sticky to handle once applied.

Specially formulated for use in premium goods, **CLEAN LABEL BUN GLAZE** is emulsifier, hydrogenated and trans fat free.

**CLEAN LABEL BUN GLAZE** is ready to use from the container and should be applied to the baked goods immediately they leave the oven. It is suitable for use with any method of application, including spray and disc glazers.

- Clean Label
- Ready to Use
- Good shine
- Quick drying
- Non Sticky
- No refrigeration

Where it is necessary to wrap the baked goods as soon as possible after glazing, **CLEAN LABEL BUN GLAZE** has the added advantage of being extremely quick drying. If applied to products straight from the oven, it dries instantaneously

**CLEAN LABEL BUN GLAZE** is economical in use and provides a first class glaze, which does not fade, is non-sticky and thus ideal where the finished product requires wrapping and transporting.

Once opened the glaze does not need to be refrigerated.

**CLEAN LABEL BUN GLAZE** is available in a 12kg bag in box.

All information and recommendations are based on tests and research believed to be reliable. No guarantee of their accuracy is made however. Since the manufacturers have no control over the conditions under which the products are transported to, stored, handled or used by purchasers all recommendations are made on the condition that the manufacturers and sellers will not be held liable for any damages resulting from their use. No representative of the manufacturers has the authority to waive or change the above provisions, but our technical staff is available to assist purchasers in adapting the forementioned products to their needs and circumstances. Nothing contained herein shall imply a recommendation to infringe any patents now or hereafter in existence.
