CLEAN LABEL
OAT BREAD CONCENTRATE

CLEAN LABEL OAT BREAD CONCENTRATE is a powdered concentrate for the production of oat bread with an open, soft textured crumb, delicious flavour and appealing caramel colour.

In addition to providing good eating bread, the mix has been enriched with oat beta glucan which assists in the reduction of cholesterol. It is also low in saturated fats and a source of fibre.

Oats are the only wholegrain recognised to actively lower cholesterol as they provide soluble fibre (beta glucan) which acts like a sponge during digestion, soaking up and removing cholesterol from the body.

Eating oats as part of a diet low in saturated fat, combined with a healthy lifestyle, can also help to maintain a healthy heart.

CLEAN LABEL OAT BREAD CONCENTRATE can be classed as clean label as it is free from emulsifiers and chemical preservatives.

CLEAN LABEL OAT BREAD CONCENTRATE requires the addition of flour, yeast, water and rolled oats to produce tasty and healthy eating bread, the flavour and eating quality of which can be further enhanced with the addition of sunflower seeds and BAKELS ORGANIC PALM SHORTENING.

CLEAN LABEL OAT BREAD CONCENTRATE is available in a 12.5kg bag.

All information and recommendations are based on tests and research believed to be reliable. No guarantee of their accuracy is made however. Since the manufacturers have no control over the conditions under which the products are transported to, stored, handled or used by purchasers all recommendations are made on the condition that the manufacturers and sellers will not be held liable for any damages resulting from their use. No representative of the manufacturers has the authority to waive or change the above provisions, but our technical staff is available to assist purchasers in adapting the forementioned products to their needs and circumstances. Nothing contained herein shall imply a recommendation to infringe any patents now or hereafter in existence.
