While Bakels endeavour to ensure that all information and recommendations for the application of Bakels products are accurate and based on reliable tests and research we do not guarantee performance as we have no direct control over distribution storage or use by purchasers. We warrant that we have exercised due diligence to ensure our products comply with all relevant UK regulation with regard to permitted and ingredients in force at the time of production. These regulations are subject to change and customers should satisfy themselves that at the time of use the products continue to comply with current regulations. Customers should satisfy themselves that the ingredients are permitted in the application in which the customer intends to use them. Non UK customers or UK customers exporting the products or products produced from then should ensure that the ingredients and their intended use comply with local regulations. All recommendations and sales are made on the basis that Bakels or their agents will not be held liable for damages resulting from the use of these products. No representative of Bakels has any authority to waive or change the above provision. Nothing contained here shall imply a recommendation to infringe on patents now or hereafter in existence.
